About This Content

Frontiers.io - Expansion Pack 3
This pack contains 16 new Monster, Knights and animal Characters. Unlock them all.

Your goal? To conquer as much territory as possible. It's initially very simple, and the game can be mastered immediately, but watch out: there's competition, and not everyone can win! Try to stay ahead, because victory in is never certain until you possess all the territory. Stealing is allowed, and your enemies won't hesitate to do so. Enjoy the simplicity and strategy in a world with unique graphics.

Features at a Glance:
•Easy to learn, hard to master
•Smooth gameplay
•Wonderful graphics with cool sound effects
•Collect gems
•Conquer the largest territory with your hero
•Set different heroes for your profile
•Fun for all ages
